2017

good

Good is a trusted publication with the ethos of conscious-living at its heart. Its mantra is to provide readers with an empowering, enriching and inspiring experience with every issue.

The relaunch issue of *Good* (Jan/Feb 2016) achieved this, with each new issue going from strength to strength, with carefully curated content that is conversational, friendly, curious, optimistic, clever, educational, community oriented, real, practical, thoughtful, social, independent and honest. The new look is cleaner and contemporary with beautiful imagery and inspiring content across the topics of food, fashion, beauty, design, fitness, wellbeing, travel, home, relationships, gardening and community.

It is the 'go to' publication for inspired nesters - those with active social lives but who also love spending time at home and making that a haven. The new *Good* celebrates innovation, locally and abroad, and speaks to the *Good* philosophy of 'half cup full' in a way that inspires.

Good's home is Tangible Media, a subsidiary of Image Centre Group. With a reputation for excellence in production, design and digital communications they are New Zealand's best specialist media company and the people who bring you *Dish*, *New Zealand Weddings*, *Little Treasures*, *Idealog* and *Habitat*.

As we move into the next phase of this much-loved title we will be keeping all the elements that have made it great while investing in more to create an even better product. We're excited!

“Good's mantra is to provide readers with an empowering, enriching and inspiring experience”

A handwritten signature in black ink that reads 'Carolyn'.

Terms and conditions

Conditions of acceptance of advertising

These conditions are deemed part of the contract issued by Tangible Media Ltd.

Contract advertising

Series bookings apply to a specific volume of space which is contracted by the Advertiser for a specific period. In cases where the actual space taken for the period falls below the contract volume, the Publisher will surcharge all space taken to the rate appropriate to the volume of space used.

Postponement or cancellation of space

This cannot be effected after 5pm on the last day of the month, two months prior to the publication date.

Material

- All advertising material shall be delivered to the Publisher without expense to the Publisher
- Any expenses incurred following copy deadline date in trying to secure material (e.g. toll calls, freight, couriers etc) shall be recoverable from the Advertiser or Advertising Agency and shall be charged out as a disbursement (non-commission bearing)
- Where new copy or instructions to repeat have not been received from a contract Advertiser by copy deadline date the Publisher reserves the right to repeat any previously run copy, or to compose or enter substitute copy at the Publisher's absolute discretion and charge full rates plus production
- Advertisement material is held at the Advertiser's risk and is not insured by the Publisher. Material will only be returned on request and any material unused for 36 months will be destroyed.

Rate protection

Should advertising rates change, Advertisers on a current contract with Tangible Media Ltd will be given rate protection (i.e. charged at "old" rates)

- for only two consecutive issues in the case of monthly titles, and for one issue in the case of all less-frequently published titles
- from and including the issue at which any new rate increase takes effect.

Terms

Accounts for advertising space and production are due for payment within 20 days following the end of the month of publication. Advertisers and their Advertising Agencies are jointly and severally liable for payments due under any contract. For the purposes of this clause the month of publication is the cover date or masthead date of the publication. In the case of bi-monthly publications the month of publication is the first month of the two months shown as the cover date or masthead. In the case of quarterly, bi-annual and annual publications the month of publication shall be deemed to be the month of the invoice date. Any costs, fees, legal expenses or commissions incurred in obtaining payment are to be charged to the client's account.

Tax and levies

Any Government or industry taxes and/or levies are additional to the current rates structure shown on the rate card. GST (currently 15%) is payable on all payments from a New Zealand source and on such overseas advertising as may from time to time be deemed liable by the Inland Revenue Department.

General

- The Publisher reserves the right to decline the insertion of any advertisement
- The placement of an advertisement is at the Publisher's discretion – except where a preferred position loading has been paid
- Casual displacement, rejection or omission of an advertisement does not invalidate a space order
- While every care is exercised, the Publisher will not accept liability for any loss whatsoever incurred through error either in the content of an advertisement, or the incorrect appearance of an advertisement.

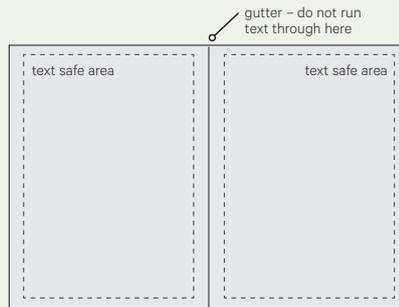

Terms of acceptance of advertising copy

The Advertiser warrants and undertakes to the Publisher that no statement, representation or information contained in the supplied advertisement:

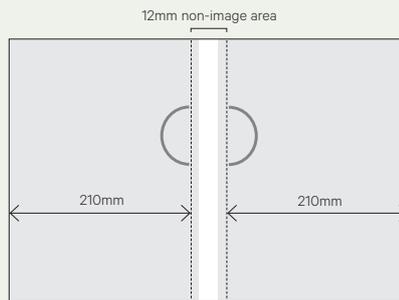

- is or is likely to be misleading or deceptive or to otherwise infringe the Fair Trading Act, 1987; or
- is at all defamatory, in breach of copyright, trademark or other intellectual or industrial property right; or
- is otherwise in breach of any provision of any Statute Regulation or rule of law.

The Advertiser acknowledges that Tangible Media Ltd relies on the provisions of this Clause in accepting the advertisement for production. The Advertiser hereby agrees to indemnify the Publisher against all losses or costs, legal or otherwise, arising as a result of the publication of the advertisement.

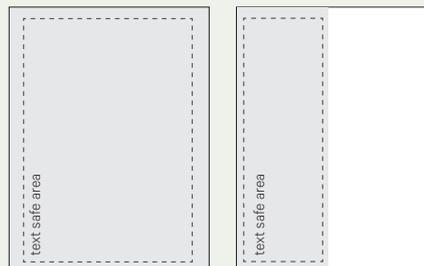

Ad sizes, shapes and technical data

Double page spread
426 x 275 (deep)* – no allowance for gutters
386 x 255 text safe area

Inside covers
210 x 275 (deep)*
The IFC and IBC are a different size due to binding. This also applies to the pages opposite the IFC and IBC (i.e. the first and last pages).

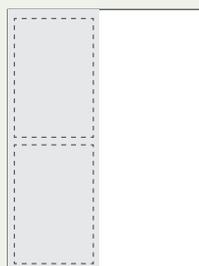

Full page
213 x 275 (deep)*
+ 3mm bleed
173 x 255 text-safe area

Half page vertical
99 x 275 (deep) + 3mm bleed
85 x 255 text-safe area

Third page vertical
69 x 275 (deep) + 3mm bleed
55 x 255 text-safe area

Half page horizontal
213 x 130 (deep) + 3mm bleed
173 x 118 text-safe area

Quarter page vertical
96 x 130 (deep)
Non bleed

Tangible Media prefers that advertising material be supplied via Adstream's Quickcut validation and delivery system. If you are not already set up with Quickcut, you can submit your advert via the quicksend web service: www.quicksend.co.nz Using Quickcut ensures your ads will meet our exact specifications and arrive right first time. The reproduction of advertising supplied by other methods, such as on disk or via email, cannot be guaranteed.

***Note:** please supply all advertisements with a 3mm bleed all round to allow for the edge of the page or gutter.

Inside front cover (IFC), inside back cover (IBC) and opposing pages

Image area is reduced due to binding (see diagram). Double page spreads should be supplied as single page PDFs with 3mm bleed all round.

Single page image area:
210 x 275 (deep)
Bleed: 216 x 281 (deep)

Back cover

Full page portrait

Material format

Files should be supplied as PDFs using one of the following methods (for Mac or PC):

Using Acrobat Distiller

- Print document to file by selecting PostScript® File printer option in the print dialogue window
- Select Adobe PDF or Acrobat Distiller PPD
- Select an output paper size that accommodates the page trim size, including crop marks and 3mm bleed all round
- Select crop marks
- Select composite CMYK output
- Include all fonts
- Set transparency flattening options to high resolution
- Save to create the PostScript® file
- Launch Adobe Acrobat Distiller
- Select PDF/X1a as the default job options
- Drag and drop the PostScript® file into Adobe Acrobat Distiller to create the PDF

Exporting from InDesign

- From the export options, select preset PDF/X1a
- Select crop marks and 3mm bleed all round
- Ensure font subsetting is set to 100%
- Set transparency flattener options to high resolution
