GOOD MANIFESTO

For the good of you and me, for the good of those closest to us,
for the good of our community, our town, our country, our planet,
for the smaller good, for the greater good,
the good we can do in 100 little ways, that good that ripples out,
the good that builds, that grows and strengthens,
by doing one (good) thing at a time.

Our upfront features always include helpful life hacks and facts, the latest eco fashion news, and Good Stuff section where we champion people, happenings and things locally and abroad, that we applaud.

GOOD CONTENT PILLARS

Beauty
The place to find the latest news and products in natural skincare. In depth educational features on topical ingredients, as well as products we're buzzing about.

Travel
Good readers love travelling. In each issue we take them on an exploration of local and international destinations, and produce an annual Travel Guide of the best sustainable and ethical eco-tours and destinations in New Zealand and abroad.

Home
Where we showcase innovative design and ideas for the home; DIY, craft, and gardening advice.

Your Good Life
Always filled with delicious and nutritious wholefood recipes and showcasing locally-grown ingredients and producers. Recipes are a 90/10 per cent mix of plant-based versus meat protein dishes (humane standard grass-fed meat, free-range products). Also find out what's happening in the drinks space – wine, craft beer, gin, kombucha, low-sugar sodas and smoothies.

Wellbeing
The place to fill your cup with inspiration for the mind, body and soul. Articles cover ways to find calm and de-stress with exercise, mindfulness, self-awareness and nutrition. Financial wellbeing is covered here, too.
